Week 3, Term 1

20th February 2020

PRINCIPAL'S COMMENT

Hi Everyone, Kia ora koutou.

It was really pleasing to see so many families attend the school BBQ and swim last Friday. We couldn't have asked for better weather on the night and now that our pool is a lot warmer, some of the children were able to swim right up to the end.

Please write in your diaries, or should I say put it on your phone, coming up on March 24-25 parent conferences with the teachers, parents and your child/children discussing their goals for 2020. We will send you more information closer to the date.

Everyone seems to have settled well in to their classes and are starting to get back into the learning mode, testing by teachers is still ongoing as they sort out their learning groups for the term.

Over the holidays we cleared out one of our sheds and cut out a large gap so we could put in a roller door. This shed will be used for juniors and seniors to build, create and design using wood/materials and tools, some of which we acquired from the closure of Gonville School's technology room.

School Donations - At the end of 2019 our school Board of Trustees decided to opt in to the new Government donation scheme where the Govern-

ment pays our school \$150 per child on the condition we will no longer ask parents for donations or, as some schools call them, 'School fees'.

The exceptions to this are;

Where your child is attending technology and there is a 'Take-Home' component, you may still need to pay a fee to cover this 'Take-Home' component.

Gifted Education programmes (Goods & services)

Overnight camp (Donations can still be asked for)

Optional Activities; school sports teams, fees applicable.

If you have any questions regarding payments feel free to contact a Board of Trustees member or myself.

My name's Jill McKillop and I have written 4 "Adventure" books aimed at children who are 8 - 12 years old. They are Enid Blytonish 'Famous Five' books, based on my experiences as a child, or other events I've been involved in. I wrote them for my 5 grandchildren originally, but have had them published by Amazon. My 4th book is about the Waitotara Valley, but a sub adventure is in Whanganui.

BOOK LAUNCH:- Inkt shop, Whanganui, 17 Victoria Street, Whanganui (near the Bridge) Friday, March 6th at 3.45.p.m. All 4 of my books retail at NZ \$15.00.

I will be there and will sign your purchases.😊

With kind regards, Jill McKillop.
