NETBALL

Report - Last Saturday Kai Iwi A played St Mary's A and unfortunately it was our first loss of the season (apart from Grading Day). The score being 3-4. It was an early start on this chilly morning - numb fingers, frosty ears and red noses didn't make for a pleasant morning. I even joined in on the warm-up to get some blood flowing to the old joints! St Mary's looked smart and fired up as the first quarter whistle went to start the game, and although it was a very low scoring game, we missed so many opportunities because of our handling errors. Shooters need to practice, practice, practice. Mid-court need to race, race, race and defenders need to jump, jump, jump!! Keila Allen absolutely deserved Player of the Day with a partner over a foot taller than her, she still managed to fight for the ball and got some really awesome intercepts. Congratulations Miss Allen - whoop, whoop! As always our sideline support is invaluable, so thank you to all the family and friends for coming along to our games, even when the weather is mucky. See you all again this week. Practice on Thursday, same time, same place. Go KAI IWI!

Netball Draw -

Kai Iwi A vs WIS D1 Court 7 10.30am
(be there by 10.10am please!!)

Kai Iwi B - I can't seem to see any draw for you sorry. Hopefully you or your coach know what's happening.

HOCKEY

Report - Last night we played Wanganui East. Many thanks to Arnold for stepping in again to take the kids. I was told Josh scored a great goal and that Mason and Annabel worked well together scoring another goal. Unfortunately Wanganui East are still unbeaten and came out with a 5-2 win. Player of the Day was Josh. Well done to all the team.
