PRINCIPAL'S COMMENT

Hi Everyone Tena Koutou Katoa

On Tuesday we had our West Cluster Athletics day at Cooks Gardens and all of our children performed well. Special mention must go to Cruze Christensen for winning the 10-11 year age group for boys, Mason Henry for finishing second overall, and Traedyn Christiansen third overall in the 9 and under age group for boys. Zoë van der Wees also performed well finishing third overall in the 10-11 girls.

All the children had to compete in sprints, some longer distance races, high jump, long jump, vortex and shot-put and the top five finishers were given points, which were added up at the end of the day to find the top three in each group.

Tomorrow is a huge fun day for many kids in Whanganui with the Tough Kids on at Cooks Gardens. We have about 70 students attending. GO

KAI IWI KIDS!

We have received our ERO report and I would like to thank the teachers, staff and board for all the hard work they have put in so that we could achieve such a positive report.

The Board of Trustees are already busy working together to setup our School Charter and the Strategic Plan, which are the documents that set the direction of the school for 2017 and beyond.

The last Community Newsletter for 2016 will be going out next week so happy reading.

TOUGH KIDS

A reminder that this is on tomorrow. Please send your child along with their own hat, a change of clothes, a warm jacket and enough food and drink for the day. Have you paid the \$3 required for your child to attend? Unfortunately they will not be able to go if not.

Before the holidays the teachers will be sending home stationery lists for 2017. Please consider the following:- This is an easy fundraiser for our school. All you have to do is shop at Warehouse Stationery, and when you go to pay tell them you want to support Kai Iwi School and our school will receive 5% of your purchase. They will have each class's requirements, as per the list you will receive at the end of next term, so will make shopping very easy and our school will benefit as well. Thank you.
