**Week 9, Term 3**

**22nd September 2016**

## PRINCIPAL'S COMMENT

Tena Koutou Katoa, Hi Everyone,

Wow! This term has gone fast; we finish on Friday at the usual time of 3pm and return to school on Monday the 10<sup>th</sup> of October.

This week we welcome the Osborn family to our school:- Genevieve (Rm 4), Charlotte (Rm 3) and Rory (STAR Rm). We hope you have many happy school days at Kai Iwi.

Yesterday I travelled to Waikanae to check on how the senior class camp was going. When I arrived some of the children were horse riding, some were kayaking and the others were trying their skills in

archery. Then it was lunchtime and the children had no problem eating a couple of home made burgers, which they filled themselves, and still had room for a big piece of banana cake.

Don't forget **Pet Day** is on Monday 17<sup>th</sup> October, if you are willing to help in any way please contact the school and I'm sure we will find you a job.

Well everyone, have a safe and enjoyable break and come back to school in Term 4 ready to work hard and 'Be the best you can be.'

### PLEASE SUPPORT OUR SCHOOL

This is an easy fundraiser

for our school. All you have to do is shop at Warehouse Stationery, and when you go to pay tell them you want to support Kai Iwi School and our school will receive 5% of your purchase. For

Back-To-School stationery at the end of year/beginning of next year they will have each class's requirements, as per the list you will receive at the end of next term, so will make shopping very easy and our school will benefit as well.

#### HEAD LICE

These little creeps seem to flourish at this time of year and there have been sightings. With the holidays coming up it's a good time to check your children regularly and, if needed, get rid of them before the children return to school.
