## *PRINCIPAL'S COMMENT*

Kia ora koutou, Hi Everyone,

It was really pleasing to see such a good turnout of family and friends at the school cross country yesterday to support the kids. From yesterday's cross country we have selected some runners across the age groups to represent our school in the West Cluster Cross Country next week at Westmere School. Parents of those children selected will be advised of details in a separate notice.

Yesterday I went to watch our junior hockey team play Faith City at City College. It was a really good game and our team played so well. I can see these children being good players in the future if they keep it up.

Our Garden Ramble Fundraiser is coming up in November and this is a chance for new and not so new parents to assist on the day at the various garden properties. We will need your support if this is to be a fundraising success. Money raised will build an outside classroom for our students to enjoy their learning in the beautiful Kai Iwi fresh air.

Super Six Racquet sports is on next Thursday and we have picked our Squash, Tennis and Badminton teams. A note will be going out early next week.

Have a good weekend everyone,  
Ross Harvey, **PRINCIPAL**
