PRINCIPAL'S COMMENT

Hi Everyone, Tena Koutou Katoa

Don't forget we have Parent/Teacher Interviews on Tuesday 8th August and Wednesday 9th August. We have had many parents already book their time, however there are still plenty more spaces available so if you haven't sent your form in yet there is still time.

With Super Six Racquets day coming up on 17th August all the Year 7-8 children have been practicing tennis and badminton every Tuesday after Technology and they all seem to be enjoying it. We will be picking a team soon.

Rugby Tackle 7's are on next Wednesday at Springvale Park and a letter with all the

information will be going home today with the children who have been chosen.

Last week I spent the morning teaching in Mrs Baker's room. It was very special as I got to hear every child read and I was amazed at just how enthusiastic the children were to read to me. The children knew all the routines that Mrs Baker had set up for them and it was pleasing to see how well they all worked together.

Have a great weekend everyone.

KAI IWI SCHOOL
to be the best we can be

On Monday July 31st a group of senior students from Kai Iwi school planted three new fruit trees in the school orchard.

Enviroschools facilitator, Ron Fisher was there to take photos.

The trees that were planted were Mandy the Mandarin, Mr Tydeman the Apple and Luisa Plumface the Plum.

These trees will start producing fruit over the next few years and will continue to feed students and families of Kai Iwi school for decades to come.

Well done guys!

'A' NETBALL TEAM REPORT - Last Saturday we played WIS 8B and came away with a 16 - 13 win! We had a few position changes and had great defence with Zoë and Isabelle deflecting those passes as WIS tried to feed the ball to their shooters. You girls played an awesome game with a number of rebounds that we turned into goals. The quick hands of WA's Keila Allen and Ana Pearce feeding the ball to our fab shooters Emma and Mia saw us gain a small but vital lead in the 3rd quarter. Our midcourt is really gelling together and, my goodness, the speedy passes and team work paid off. We were pleased to have a well deserved win. Some wonderful gravity defying jumps from Isabell earned her 'Player of the Day'. Well done Izzy - you had a great game at G.D.

We have 2 games this weekend so get a good nights sleep and bring plenty of water to keep hydrated. It makes all the difference having our supporters cheering us on from the side-lines. Rug up and keep braving the chilly weather. Hope to see you all again this Saturday. GO KAI IWI.

BIG THANKS to our sponsors **Current Affairs, Shane Stone Builders** and **Grangewilliam Stud.**

HOCKEY REPORT

Last night we played against St Georges and unfortunately lost 3 - 1. It was a late, cold game so wasn't a lot of fun. Well done team for battling on in such miserable conditions. Player of the Day was Mason Henry. **Renee Henry**
