**Week 7, Term 1**

**17th March 2016**

### *PRINCIPAL'S COMMENT*

Hi Everyone, Tena koutou Katoa

Well here we are nearly completed 7 weeks of school for 2016 and only 4 more weeks until the end of term 1.

On Friday of last week I took eight students to play cricket in the Waverley School Tournament. We played three schools, won two games and lost one, so we finished second in the tournament, which was a great effort.

All the children are busy learning their Pepeha for Grandparents Day in week 11 and writing memories of one of their grandparents.

Next term we will be continuing our phonics programme from last year as it was a great success for

many of our students across the school.

Swimming has been a success with many of the children showing improvement.

Some of the younger children have gained more confidence around water and many of the older children have improved their swimming techniques.

Finally, our new building is coming along well and is on track to being completed for Term 2.
