Week 9, Term 2

30th June 2016

PRINCIPAL'S COMMENT

Tena Koutou Katoa, Hi Everyone

Teachers have been very busy assessing the students over the last few weeks for their National Standards reports, which will be going out next week.

Early in term three we will be having a Meet the Teacher evening where you can come and see your child's teacher and discuss any issues or ask any questions you may have or just celebrate with the teacher in regards to how well your child has progressed.

Today Room 3 is attending a Waterway Restoration project launch at Te Aroha Marae in Kai Iwi. The programme supports hapuu and whaanau to become actively involved in the restoration and monitoring of waterways that are culturally significant to them. The children are very excited about their visit and have come to school well prepared with gumboots and wet weather gear ready for action.

July at Wembley Park, Whanganui East. We are sending a competitive team and a non competitive team. The teams are made up of Kai Iwi, Brunswick and Waverley children and called the West Country Schools team.

We still have a trailer load of firewood to raffle off at \$5 a ticket. Money goes towards the school ICT upgrade so if you want a ticket please send \$5 to school with your child.

Yesterday Richard Terrey from ASPLUNDH not only donated two Cherry trees to our school but also came in and planted them too. When the trees have grown more they should give our students a really nice shady area to sit in in the future.

Thanks again Richard and if anybody wants any tree work planting, pruning etc give Richard a ring 3444670 or 0275270061.

The super six soccer tournament is on Tuesday 5th

Ross Harvey, *Principal*

NETBALL

Kai Iwi A Report - Last Saturday we won our game against Westmere A - 27-6! Sensational game girls. Great passing through the midcourt and into our shooters. You would swear Irene Van Dyke was putting up all the shots. In fact the whole team played like Silver Ferns! Player of the Day went to Laura Langman - oops, I mean Isabelle McKenzie. Congratulations Isabelle. You had a really awesome game with stunning intercepts. Leonie and Alyse had a great game working really hard for those all important rebounds and swift passing from Cara to get the ball back down to our end for goal after goal. It was a really awesome game for our supporters to watch. Keep up the good work team. We have two games this week (see below) so an early night please - you will need lots of energy! Please be there 20 minutes before the game starts. Remember, if you are late for the warm-up you do not start.

Draw:- KI A vs St Georges B Ct 6 9.45am
KI A vs WIS D4 Ct10 11.15am.

HOCKEY

Sorry, no hockey report and it appears after checking the Hockey Wanganui website there are no games next week. Photo shows our Yr 5/6 team who competed in a recent Hockey Tournament at Gonville Domain.
