PRINCIPAL'S COMMENT

Tena koutou Katoa, Hi Everyone,

First of all I wish to welcome Damian Hare and his family to Kai Iwi School. Damien is in Miss Kidd's room. We wish you many happy school days at Kai Iwi Damian.

Today we have the surf lifesavers at our school running their programme for all our students. This is a very worthwhile course covering safety around water.

Our PAT testing has been completed, these are tests consisting of Reading Comprehension, Vocabulary and Mathematics and can begin with Year threes through to Year eight. They usually have a test at the beginning of the year and then again in term 4 to identify their progress.

The West Cluster Swimming Sports were on Tuesday at the Splash Centre and all the children from Kai Iwi who were selected to participate performed well. Our freestyle girls relay team consisting of Mia Henry, Annabel Corcoran, Cara Benseman and Alyse Harris performed well, winning their race.

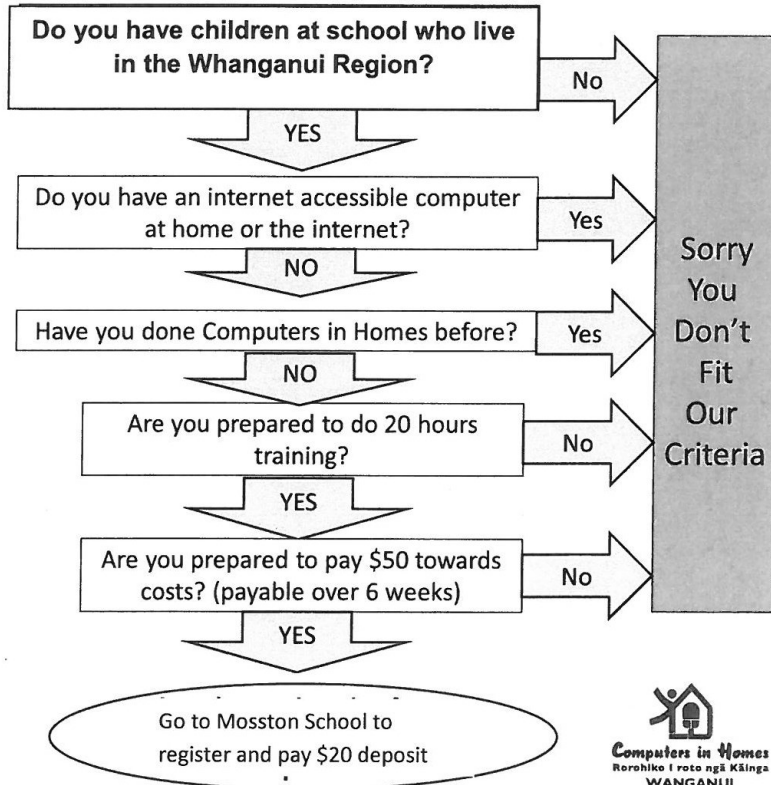

Both Kai Iwi **cricket** teams won their games on Friday with some great batting and bowling coming from both teams. This weeks draw is Kai Iwi Black v Hunterville on field 11 and Kai Iwi Gold v Mosston on field 14.

If you qualify and would like to know more about the Computer in Homes article (see over) please come and see me ASAP.
