PRINCIPAL'S COMMENT

Hi Everyone Tena koutou katoa

Pool – The pool is finally finished and the children have been swimming most days.

Yesterday our new pool cover arrived so the water should be a lot warmer in the future.

It is important that people swimming after school or in the weekends look after our new pool and cover, and if you are the last one to leave please put the cover on and tidy up before you leave.

Super Six - Swimming Sports is on Friday 16th March at the Splash Centre. We will be picking a West Country Schools team from Kai Iwi, Brunswick, Waitotara and Ngamatapouri.

West Cluster Swimming sports follows the Super Six this year and is on 27th of March from 11:30-3pm at the Splash Centre.

Classes – Years 4-8 testing will soon be underway with PAT'S for; Reading Comp/Vocab, and Mathematics. The assessment results gathered from these tests give the teachers a very clear picture of where the students gaps in their learning are, and therefore planning around improving these areas can be implemented.

Staff – Mrs Harris will not be back for at least 4 more weeks so I have recruited the services of Mr Sean Park, a very experienced teacher, until Mrs Harris comes back.

Welcome to Kai Iwi School Mr Park!

Meet & Greet- On Friday the 2nd of March from 4.30pm-5.30pm we are having a meet and greet evening where parents can come in and have a casual chat with their child's teacher and look around the school.

This will be followed by a BBQ and weather permitting a swim in the pool or bike ride on the track.

So, bring a basket of food and your BBQ if you have one, otherwise you will be able to cook your food on the school BBQ.

I look forward to seeing you there with your kids for a fun, relaxing school community get together.

Have a safe weekend everyone.

Ross Harvey, Principal
