Week 5, Term 2

2nd June 2016

PRINCIPAL'S COMMENT

Well finally the building project is nearly complete just a few finishing touches. The children are enjoying their new learning environment and already have some of their work proudly displayed.

Today we have a team going to St Johns Hill School to play a Rippa Rugby Tournament against St Marys, St Johns and two Keith Street Teams. Then on Tuesday 14th our School Hockey team will be playing in a tournament at the Gonville Hockey Turf from 9.30 to approx. 2.30 pm.

Our swings are now up and running or should I say up and swinging. The funds for our swings were raised by the community and organised by our FOKIS team, so well done everybody!

Just a reminder if you are interested in helping to come up with ideas or help run fundraising events come and see me and I'll introduce you to the FOKIS team.

Over the last week or so I have received some assessment results from some of the teachers for their students National Standards Reports and I must say it has made for some pleasing reading. Our students are progressing well and for some of the students, which are still progressing but not

quite at the rate we would like, we have introduced some new innovative programmes to assist them. Our school wide targets for this year are to have 85% of students reading at or above the National Standard and for Mathematics 80% at or above the Standard.

Kapa Haka is coming along well. The children really seem to enjoy the way Andy presents the programme. We are so lucky to have someone with his expertise and knowledge.

Don't forget to get behind our fundraisers everyone;

- The rugby on the big screen June 11 in our school Hall. Tickets from Jane at school.
- The raffle tickets that are for sale for \$5 with the chance to win some firewood. (see over)

Live so that when your children think of fairness, caring and integrity, they think of you.

Have a safe and enjoyable Queens Birthday weekend everyone.
