2nd May 2019

PRINCIPAL'S COMMENT

Hello Everyone, Tena Koutou Katoa

Staff

We are still looking for a teacher. There seems to be not many available teachers around at the moment but I am still trying.

We have teacher aides in three of the four classes at the moment until we secure a full-time teacher and they are doing a really good job assisting the teachers.

Sport

At the end of last term our school softball teams played at the Super Six competition at Springvale Park in pouring rain and our competitive team finished in third place which was a great effort.

Netball is our next Super Six competition which involves both boys and girls and is on 6th June at the Laird Park courts.

Basketball, Hockey and Netball are all due to start soon. If you have any questions about any of these after school competitions please see Mrs Willan who is overseeing the organisation of the teams.

Board of Trustees

Nearly all of our Board members are standing down this election so if there are any parents out there who are interested in becoming a Board member you can nominate yourself when the papers come around, or if you know someone you think may make a good Board member you can nominate them.

If you're not too sure what a Board member has to do, feel free to approach any current Board member including Mrs Harris and myself.

Honey Bee Bus

We are currently selling our old school bus (Honey Bee). This bus could be good for converting into a mobile home. Check out the advertisement on Trademe, or ring me if you are interested.

Have a good weekend everyone

SCHOOL NETBALL DRESSES (black)

To those who have played for Kai Iwi before can you please check that you don't have a black netball dress at home. We seem to be missing 4 of them.
