**Week 8, Term 3**

**13th September 2018**

### *PRINCIPAL'S COMMENT*

Hi Everyone Tena Koutou Katoa

will be set.

**Cultural** - It's been another busy week at Kai Iwi School with House groups busily doing activities for Maori Language week.

**Sport** - It was a shame that the West Cluster Cross Country at Westmere was cancelled and there was no postponement day scheduled. I will be discussing this issue with the cluster next week and we will rectify it for next year.

Super Six sport is finished for this term and all we have next term is Touch. Country Schools are currently in third place and pushing hard to win like last year.

**Technology** - The seniors Technology classes at Gonville School finish for the year next Tuesday as the last Tuesday of this term the seniors will be away on camp. Technology reports will be available for parents early next term.

The Year 6,7,8 Technology Challenge which was to be held this Friday at Brunswick School has had a venue change to Mosston school and a new date

**Fundraising** - Thank you very much everyone who ordered or sold pies to raise money for the school. Without your efforts these fundraisers would not be successful. Thank you Louise and Debra for organising it and thank you to the parents who have offered to help on the day the pies arrive.

**School Report Survey** - Last week I sent out a survey for parents to fill in asking what you thought of our new mid-year reports. It was pleasing to see everyone who sent them back approved of them. Only a few comments mentioned that perhaps teachers could add more comments on their child's social development.

Have a safe weekend everyone.

Ross Harvey, **PRINCIPAL**
