## Welcome to IPSC

The International Police & Security Consultants, *IPSC*, is a leading Israeli consultancy firm operating within the Homeland-Security and Internal-Security arena.

Based upon the vast international experience gained during their governmental deployment, the *IPSC* is capable of supplying the most professional services to foreign customers worldwide.

*IPSC* operates according to the strictest international standards, with full commitment to provide the best services to its customers.

*IPSC*'s services are delivered through customer-oriented instruction programs, which are implemented in full cooperation with the local agencies.

*IPSC*'s services are provided by highly-trained and combat-experienced veterans of the *Israel Security Agency* (SHABAK) and elite anti-terror units.

Within the Homeland-Security and Internal-Security framework, the *IPSC* provides consultancy services in the following main fields:

*Police and Law-Enforcement*

*VIP Close-Protection*

*Counter and Anti Terrorism*
