

Organized Industrial Zones in Turkey

Organized Industrial Zones in Turkey are designed to allow companies providing goods and services to operate within approved boundaries with the necessary infrastructure, techno parks, and social facilities. The infrastructure provided in the zones includes roads, water, natural gas, electricity, communications, waste treatment, and other services.

There are 251 Organized Industrial Zones in 81 provinces throughout Turkey. The government provides following incentives to support the companies operating in organized industrial zones:

- 100 % exemption from income tax for employed workers
- 100 % exemption from the employer's share of social security costs
- Up to 50 % support for electricity costs
- Exemption from real estate tax, waste-water charges, building construction duties, and the use-of-building
