Hello Friends!

Architectural Treasures is celebrating its 47th year with another wonderfully diverse tour of local homes. Each year our committee works diligently to locate unique homes and generous homeowners within our community that illustrate the architectural history of Ozaukee County. We are truly excited to share each treasure with you, and invite you to use this brochure as a guide throughout your weekend.

A huge THANK YOU goes out to each of this year's sponsors. It is through their continued support that that we are able to offer this beautiful weekend tour. Your patronage of their businesses would be a wonderful gift in return, but any expression of your appreciation is welcome. We would like to say a very special thank you to Architectural Treasures Premier Sponsor, **Sally Ward of Shorewest, REALTORS®**. Sally has been a very loyal supporter of this event for several years, and we extend our deepest gratitude for her commitment not only to the tour, but the community.

We would also like to thank this year's homeowners who have so generously opened their doors to visitors in the spirit of keeping history alive through education. Finally, this weekend would not be possible without the dedication of the Architectural Treasures committee members, docents, volunteers, and staff. Thank you all for the countless hours of planning and execution you have put in to make this such a successful event!

As you visit the homes, I hope that you will also stop by the Cedarburg Cultural Center to say "hello" and take in Susan Hale's Retrospective and the Cedarburg Fire Department's 150th Anniversary exhibits. Please check out our website for all of our 2016-2017 offerings in art, music and history. We're excited for another great year at the CCC!

Sincerely,  
Stephanie Hayes, Executive Director
