

# KAIRO COLLECTION

Kairo Collection includes modern wooden furniture and luminaires. All the Kairo products are handcrafted in Finland and made of natural or recycled materials. Kairo Collection is created by Finnish designer Reija Pasanen.

Kairo Collection was born through an inspiration by visiting Cairo. The collection has received influences of the Egyptian furniture and the way of life. The seat cushions are comfortable to sit and rest on; additionally they are totally allergy friendly and fire-safe. Plastic bottles have transformed into humidity repellent, ecological seat cushion and pillow padding manufactured by Lennol Ltd.

Kairo Collection's furniture are made of Finnish birch from sustainable managed forests. Outdoor furniture like sofa and divan are made of Finnish larch with polyester fabrics which are available with different color options.

Kairo Collection pendant lamps combines light, ambience and design in an innovative way. Kairo lamps utilise latest lighting and smart technology in order to customize your home according to your moods and desires. And everything with complete simplicity via your smart phone or tablet.
