

## Our Wines

- Clouds MCC 2012** 250  
The wine shows fresh bread and yeast aromas on the nose. The palate is clean and crisp, with green apple and citrus fruit, leading to a long finish. This wine is made from 100% Sauvignon Blanc. The wine spent 12 months on the lees, adding a lovely finesse to the wine.
- Clouds MCC 2013** 250  
Yeasty aromas on the nose. A delicate, crisp clean palate, apple & citrus notes leading to a dry finish. Made from 100% Chardonnay grapes, this is our choice for any celebration. It spent 12 months on the lees, adding a subtle delicacy.
- Clouds PINK Sauvignon Blanc 2015** 175  
With a subtle salmon colour, this sauvignon blanc rosé shows freshly picked strawberries and a hint of cassis on the nose which continues on the palate and complements the racy acidity from the sauvignon blanc.
- Clouds Sauvignon Blanc 2015 / 2016** 175  
This wine shows typical lime, green melon and fig on the nose and riper tropical fruits on the palate, a result of grapes being picked slightly riper. This leads to a balanced and mouth-filling wine with a long mineral finish.
- Clouds Chenin Blanc 2014** 275  
Forty year old bush vines in the Swartland. Old granite soils produce a wine with mineral, almost saline notes on the nose and palate. Fresh on entry with some green lime and kiwi fruit backed by a bracing acidity. Fermented naturally and matured in old French barrels.
- Clouds Chardonnay 2014** 275  
Light yellow in colour with hints of lime green. With the grapes sourced from a very unique and isolated site in the Bokkeveld. Wanting to express the terroir of the wine as best possible we fermented the grapes naturally in older French barrels. It shows rich, leesy characteristics with crushed seashells, citrus and white peach on the nose. The palate is very mineral.
- Clouds Pinot Noir 2015** 275  
Wine made from a vineyard in the Hemel & Aarde valley shows a medley of red fruit on the nose with typical sour cherries and earthy undertones, becoming more prominent as the wine matures. It has a fresh, gripping acidity and a low alcohol complementing the juicy fruit forward palate. Whole bunches fermented naturally, matured in French oak for 11 months.
- Clouds Shiraz 2014** 275  
This 2014 Shiraz shows very perfumed purple fruit on the nose which also leads the palate. The concentration and density of the Syrah is balanced by good acid tension and delicate fruit. Soft and textured with loads of dark spice and a mineral finish.

## MÉTHODE CAP CLASSIQUE
