275

The wine shows fresh biscuity yeasty aromas on the nose. The palate is clean and crisp, delicate flavours of green apple and a delicious sweet/sour character, leading to a long, creamy finish. This wine is made from 100% Chardonnay grapes and spent 12 months on the lees, adding extra finesse.

### **Clouds PINK Sauvignon Blanc 2016**

Light yellow in colour with hints of lime green. With the grapes sourced from a very unique and isolated site in the Bokkeveld. Wanting to express the terroir of the wine as best possible we fermented the grapes naturally in older French barrels. It shows rich, leesy characteristics with crushed seashells, citrus and white peach on the nose. The palate is very mineral.

### **Clouds Pinot Noir 2016**

This Pinot noir is more fruit-forward and concentrated than previous vintages and much more intense in colour as a result of adding a Stellenbosch component grown on Clouds. The nose is deep and brooding and shows a medley of perfumed red and black fruit with typical sour cherry, wild strawberries and also some earthy undertones. It's a wine that's complex and fresh at the same time with just the right balance of acidity as backbone.
