

Have You Forgotten

Verse 1

A new dress, a new shirt, a new pair of shoes
These are on your shopping list
From which you can chose
Thousands of children, all over the world
Die from starvation, as you are
Buying pearls for your girl

Chorus

All you need is love (C: All you need is love)
This is the birthday of Jesus Christ (C: Happy birthday)
All you need is love (C: All you need is love)
This is the birthday of Jesus Christ (C: Happy birthday)

Verse 2

A new house, a new boat, a fancy new car
You buy them easily, 'cause you are born where you are
Thousands of children, all over the world
Die from starvation as you are
Buying pearls for your girl

Chorus

All you need is love (C: All you need is love)
This is the birthday of Jesus Christ (C: Happy birthday)
All you need is love (C: All you need is love)
This is the birthday of Jesus Christ (C: Happy birthday)

Bridge.

You don't need money, to have a good Christmas
Have you forgotten what Christmas is about?

Chorus

All you need is love (C: All you need is love)
This is the birthday of Jesus Christ (C: Happy birthday)
All you need is love (C: All you need is love)
This is the birthday of Jesus Christ (C: Happy birthday)

Have You Forgotten
