Vers 2 Standing in my dining room
feeling very sad
Why did everything has
to go so bad
Tears are running from my eyes I don't know what to
do
This house is so missing you

Don't you think that I deserve some more
Than a life, behind a closed door

a man
But I'm not sure if I can
But it's pretty clear to me what I have to do
so I'm parking my van
