

Alone Again

Intro

Verse 1 Well I met you on the street last night
I wasn't up to one of your fights
So I crossed the street to, avoid meeting you
But you crossed the street too
And I was looking down
While you were looking up
And our eyes met.

Verse 2 I said hi, how are you doing tonight
You said hello, I'm doing just fine
How about you.
You said; where are you going?
Can I go with you?
I said no
You can't go with me at all
Because I don't like you
And I don't love you, anymore

Alone Again

Refrain Don't you see that I'm trying to think
Can't you see that I need a drink
Why can't you leave me alone
I wane see you lost and gone
Can't you see that you're driving me in sein
I'm leaving you, just to keep my brain
Can you sense that I'm chocked
Being alone again.

Vers 3 Had it been another day,
I might have looked the other way
I could pretend I didn't see you,
and just passed you bye
hoping you didn't see me
I could have stopped, and looked into a
window
Because I don't love you,
and I don't like you anymore.

Alone Again

Refrain Don't you see that I'm trying to think
Can't you see that I need a drink
Why can't you leave me alone
I wane see you lost and gone
Can't you see that you're driving me in seine
I'm leaving you, just to keep my brain
Can you sense that I'm chocked
Being alone again.

Solo

Refrain Don't you see that I'm trying to think
Can't you see that I need a drink
Why can't you leave me alone
I wane see you lost and gone
Can't you see that you're driving me in seine
I'm leaving you, just to keep my brain
Can you sense that I'm chocked
Being alone again.
Can you sense that I'm chocked
Being alone again.
