**Intro**            guitar intro

## Verse 1

Could you play our old song for me  
And I will know how it makes me feel  
Could you play our old song for me  
and I will tell you how it makes me feel

## Chorus

It's a good old country song  
So easy to sing along  
and it doesn't make me feel the pain no more  
'cause I'm free I'm finally free

## Verse 2

Could you play that old song again  
And I will know if I'm crying like I was back then  
Could you please play that old song to me  
And I will tell you exactly how it makes me feel

## Chorus

It's a good old country song  
So easy to sing along  
and it doesn't make me feel the pain no more  
'cause I'm free I'm finally free
