

# BRAINSTORMING!

**The Explorer** - the Explorer searches for the materials to make new ideas

**The Artist** - the Artist is an imaginative and playful. The Artist takes the materials the explorer has collected and transforms them into original ideas.

**The Judge** - the Judge is evaluative. The Judge examines what the artist has created, and then decides what to do with it: implement it, modify it or discard it.

**The Warrior** - the Warrior is a "doer". The Warrior takes the ideas the judge has deemed worthy and does what's necessary to implement them.
