

HIS

In this study of the gospels, we are looking for 6 realities in the life of Christ, these realities are HIS. In your Harmony of the Gospels, use your highlighters to mark these as you read through the book.

What did Jesus believe was important?
What was valuable to Him?

What does Jesus command His followers to say and do?
What character does He commend?

How is the gospel story fulfilled in the life of Jesus? What Old Testament references are connected to Jesus?

By what name(s) is Jesus called? What does He call Himself? What is the significance of these names?

Who did Jesus encounter? How did this person or persons respond?

Who did Jesus claim to be?
Who did others claim He was?

Here are the parts of the study. The Harmony of the Gospels Book, the highlighters, the Velcro straps for the highlighters and the bookmark/card. I made the booklets but you could download the HIS Study and make your own if you wanted. I cut the pages down to 6" X 9" but you could leave them 8.5" X 11" if you wanted. I made the dividers for the booklet but they aren't necessary just helpful.
