Adult/Student Ratio Requirement — 1 female youth worker for every 1-12 female students; 1 male youth worker for every 1-12 male students. (An additional adult is needed for every 1-12 students above this initial ratio). Note that “youth worker” is defined as an adult staying in the dorm with the students.

What's included in the Price:

- **Housing:** Housing is provided starting Tuesday night through Saturday night. Momentum participants are housed by gender in university dorms and are chaperoned by youth workers for the week. This year's campus has dorms that are “traditional-style halls” with hall restrooms/showers. All dorm rooms will be set-up to accommodate at least two individuals with a bunk bed. Because of space, some rooms will house three individuals, with the university providing an additional mattress to be placed on the floor. Everyone is responsible to bring their own linens, pillows, blankets, and towel.
- **Food:** Meals included in the price of Momentum start with Tuesday dinner and end with Saturday dinner. Most meals are buffet-style with several options. Snacks may be purchased at university snack shops. Breakfast is not included in the initial registration fee but can be purchased through 2 options:
 - **Breakfast Plan** : \$25 (five breakfasts, Wed. – Sun.): Full breakfast menu in dining commons
 - **Note:** Breakfast is included in the youth worker registration fee (and volunteer staff fee) and is served at Staff Breakfast Meetings.
- **Programming:** All programming, including main sessions, training tracks, and breakout groups, are part of the Momentum registration.

What's NOT Included:

- Transportation: See the FAQ Page (PDF) for further details.
- Meals before Tuesday dinner and after Saturday dinner.
- Costs of Off-campus Options available during daily free time. However, there are free on-campus options available each afternoon.
