
ACQUISITION OF FERRONNERIE BETEMPS

FORT ROYAL Group is pleased to announce that Ferronnerie d'art Betemps (Betemps Art ironworks) has joined its ranks.

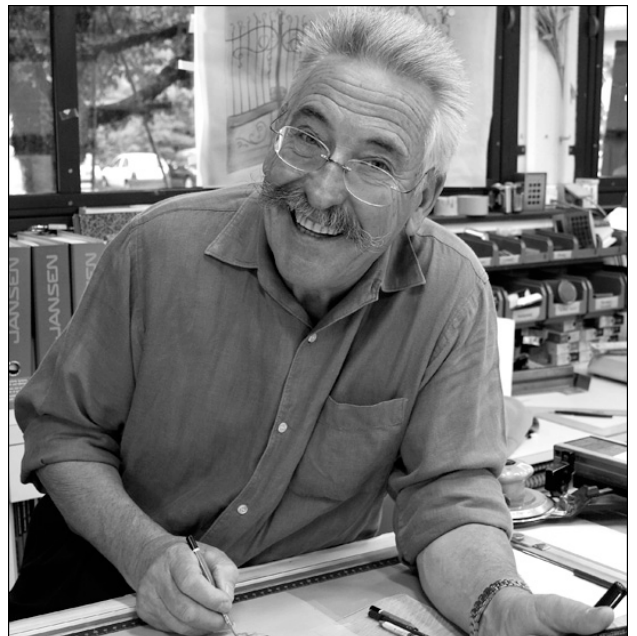

With exceptional craftsmanship and a unique style that is exported around the world, Ferronnerie d'art Betemps, classified a French «Living Heritage Company» is one of the jewels of French craftsmanship. FORT ROYAL group is proud to now count among its members this exceptional company, enhancing the international reputation of French excellence and promoting values that it holds dear.

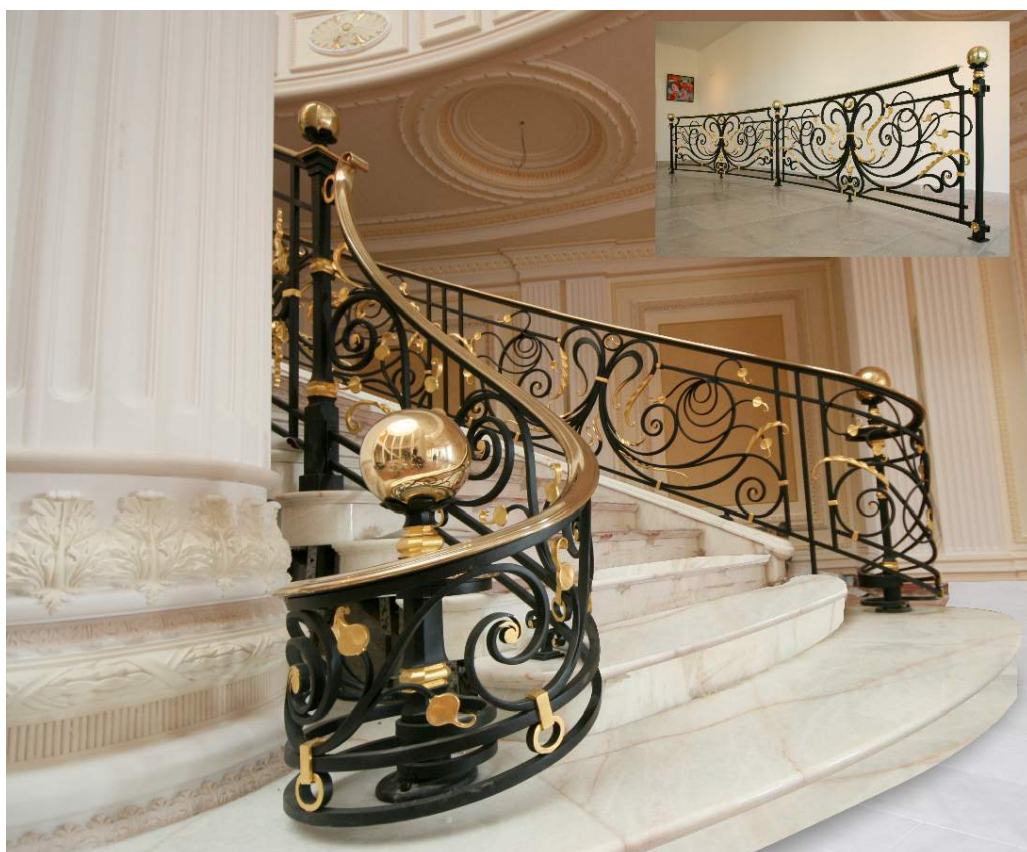

Specializing in wrought iron work, Ferronnerie Betemps employs unparalleled virtuosity to manufactures gates, railings, balustrades, verandas, light fixtures, and furniture in classic, 1930s, or contemporary styles. The creative force the workshop demonstrates is the inimitable trademark of its creator. Claude Betemps, founder of the ironworks and guardian of the temple, has managed to create a peerless signature identifiable at first glance. The works by his team, curves and arabesques, defy the very nature of the material.
