

Elegant Gem in Southcreek

The Ramsey Team

18666 Guillemot Circle

4 Bedrooms | 3.5 Baths | 3,977 SQ FT | 3 Car Garage

Gorgeous with Exceptional Views!

Ever-changing views will brighten your mornings and incredible sunsets will welcome you home every day!

As the new owners, you'll benefit from the current owners' TLC that created the elegant & tasteful interior accented with Brazilian cherry floors and granite countertops.

The floor plan offers cozy family conveniences, PLUS great entertaining options extending all the way to the lower level wet bar in the family room. A separate bedroom and bath on the lower level is great for guests or would make an ideal teen hangout. Don't miss the extensive storage area off the family room!
