

Further Information

We want you to feel **welcome** and comfortable during your stay. To get your holiday off to a good start, you will find either home-made cake, flapjacks or scones and jam waiting for you in your yurt.

Inside your yurt you will find beds made up with sheets, duvets and covers, pillows and case for each person booked. One bed is a King or double bed, the others are fold down futons. We also provide a gas 2-ring burner, lighter, mugs, cups, cutlery, cafetiere, plates, corkscrew/bottle opener, washing up bowl, tea towel and dishcloth, dustpan and brush and a small bin for dry waste. There is a wood-burner for warmth and a generous amount of logs are provided with extra to buy on site. They also have storage boxes, a low table and stools and cushions. The yurts have solar charged lights and phone recharging and fairy lights.

Please remember to bring torches and slippers!

Outside you will find a seating area with picnic table, your own fireplace with bbq grill (a short distance away) and a water carrier. We hope to add hammocks at some point during our first season.

Our kitchen is well stocked with saucepans, frying pans, bowls, plates, jugs, glasses, mugs, plastic cups and plates etc, wooden spoons, cooking utensils, corkscrew, grater, teapots and kettles. We also provide washing up bowls, tea towels, dishcloths, washing up liquid etc.

Rubbish bins are for foodwaste, plastics and recyclables and are clearly labelled.

In the **bathroom block** you will have your own bathroom with loo, basin, shower, and bin. We provide toilet rolls, hand towels and soap. There is a hairdryer available too.

Home made jams, marmalades and chutney, seasonal fruit and fresh eggs can all be purchased from our small 'shop', based in Beppe (Grandmother Dieuwke's) porch!
