

NEWS FROM DAVID AND GRETA

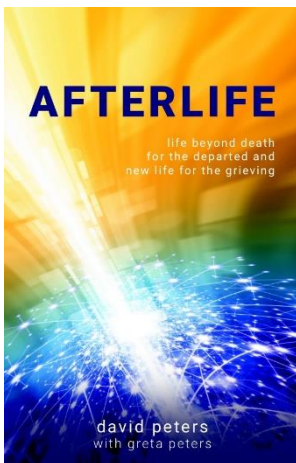

FEBRUARY 2018

We hope that you will take a moment to read what has been happening in our ministry recently and be encouraged. The Perspectives section also has some prophetic encouragement for 2018.

During December and January, we ministered in five churches and also took a good break over Christmas and New Year:

- **Catch the Fire church, North Shore, Auckland** – a vibrant, growing church pursuing God's presence and power and seeking to honour the work of the Holy Spirit. Our friends Stuart and Lynley Allan lead CTF. Lynley is also on the board of SpiritLife Ministries.
- **River Church, Howick, Auckland** – another church that seeks to honour the work of the Holy Spirit and lift up Jesus. This was our first visit to this exciting, sizeable church and we look forward to returning in March.
- **Church Unlimited, Rotorua** – our second visit to this relatively new and very friendly church. We were able to encourage the people and leaders to keep bringing God's power and love to what is a difficult city spiritually.
- **Church Unlimited, City & West campuses, Auckland** – over the four Sunday services we outlined some of the things God is saying in 2018. It is always a pleasure to minister in our home church.
- **Eastgate Christian Centre, Howick, Auckland** – a wonderful charismatic Baptist church doing a great job reaching its community. Again, we shared some of the things God is saying for this year.

Testimonies

There is a rising interest in life beyond death, especially for those facing it and for those grieving the loss of loved ones. It seems that our book is giving people hope in this area. **A woman in Australia writes,** *"I have just purchased six more copies of AfterLife. My friend, Kathleen 75yrs, was diagnosed with bowel cancer December 2016. They put her on 6 months chemo and in August last year, she was diagnosed 'in remission'. However, in November the tumour returned with a vengeance and has metastasised in the bowel as well as outside in the stomach area. A woman in our church told her 'you must read David & Greta Peters' book AfterLife'. Eventually I located your website and purchased a couple of books. Now other people both within our church as well as in the over 50s village Kathleen lives in, want to study your book."*

Hamish Thomson, Pastor, Abundant Life Centre, Wellington writes: *"Today we baptised another seven people and one of them shared how she was invited to church by a friend and stayed because she enjoyed the teaching. However, it wasn't until she decided to attend last year's School of the Supernatural that things changed. After hearing about and seeing the Holy Spirit at work through the school, when you gave an invitation for salvation, she asked Jesus into her life! Just wanted you to know as often we don't always see first-hand the results."*

PERSPECTIVES

By Greta Peters

The Lord speaks prophetically in a number of ways, including through the Bible, dreams & visions. He also at times speaks through natural signs like numbers, movies, newspapers, natural events and so on, that confirm what he is saying. One of the many things the Lord is saying for 2018 is this: **IT IS TIME FOR CHANGE. IT IS TIME FOR SHIFT.**

In a recent dream, I saw events in Daniel's time 2500 years ago and simultaneous parallels in our present time. I was seeing Daniel chapter 9 where Daniel read in the scriptures as revealed to the prophet Jeremiah, that the desolation of Jerusalem would last **70 YEARS**. King Cyrus then issued a decree to rebuild and restore Jerusalem. Jerusalem and Israel are God's prophetic timepiece for the world. In 2018 we remember that **70 YEARS** ago the nation of Israel was miraculously reborn.

What does this 70 year period mean to New Zealand? Throughout history, God has always spoken through signs in the sky. A newspaper headline of 4 Dec 2017 declared, **"Supermoon lights up the sky."** The article stated, *"The largest, brightest supermoon in 70 YEARS lit up New Zealand's skies last night."* I felt the Lord say, **"It is time for change in New Zealand! The time is coming when she will shine her brightest and best."**

There is the unusual phenomenon of **three** supermoons occurring close together at present. Nasa has named it the "Supermoon trilogy". 'Tri' means three, which symbolises completeness.

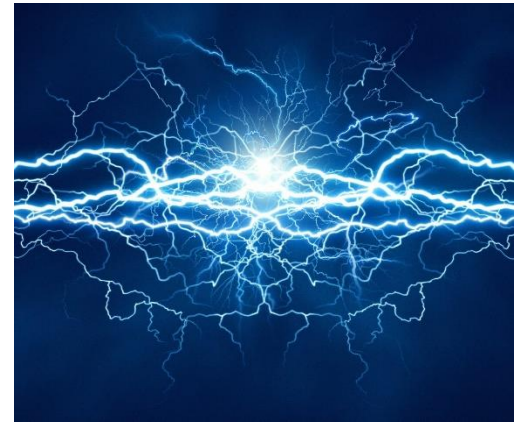

Numerous times recently, the Holy Spirit has highlighted the numbers **3:33**, confirming the supermoon trilogy. There is much more to this sign, but for now, we will just focus on this. **With the supermoon comes a King tide.** Note that the final supermoon, on 31st January, occurs the same night as the highly significant combined churches *Open Heaven* night of prayer for Auckland and the nation. As God's people are coming together to pray, God is turning the tide. **There's a King tide coming to flood NZ.** It is time for a fresh outpouring of the Holy Spirit on his people.

IT IS TIME FOR SHIFT

Shift is also connected to **70 YEARS**. Seventy years ago, the USA and many other nations were God-fearing. However, things began to change. Author and journalist David Aikman writes, *"The entire culture began to experience a shift [70 years ago] that introduced new gatekeepers and new worldviews in Hollywood, academia, and the media."* In other words, our western culture had started to shift far from God. **It is time for another shift! God is going after these spheres of influence.**

In a further vision, Jesus said to me, *"I am imparting governmental mantles to shift and transform cities and nations to release heaven's purposes on the earth."* That is why there is MASSIVE POSITIONING going on right now. The Lord is mobilising and strategically moving his sons and daughters into influential positions in the world like a giant chessboard. He says, *"Mobilise! Go!"*

With the second supermoon and king tide on 2nd January, there was also a powerful storm surge with wild winds and heavy rain. Like the storm surge, a **POWERSURGE** of the Spirit is coming. Jesus is about to release a new roar of power to His people like on Pentecost Day (Acts 2:2-4), and it will be suddenly. We are entering a season of many suddenlies in the earth.

With the powersurge will come more fire. God is taking the fire to another level to empower us for his purposes. Recently the Lord gave me two dreams about fire. In one dream, I saw writing on a scroll in heaven. One of the points on the scroll was on **tongues of fire** and included Acts 2:2-4: *"**Suddenly**, there was a sound from heaven like the roaring of a mighty windstorm and it filled the whole house. They saw... **tongues of fire** that... came to rest on each of them. All of them were filled with the Holy Spirit."*

In the second dream: I saw tongues of fire falling on God's people in many places on the earth. Jesus said, "I'm about to release fire across the earth upon everyone who wants it. I am looking for those who want to be my burning ones." Regarding **New Zealand** I heard him say, "I will raise up an **army of burning ones as my fire falls.**" Heaven is putting this cry in the hearts of God's people everywhere: **Spirit come! Fire fall!**

As we cry for this, he will do it.

Blessings,

David and Greta
